SPECIALTY: Traffic Tickets and Criminal Law. **EDUCATION:** Southern Methodist University, B.A. in History and Psychology; Texas A&M Law (formerly Texas Wesleyan Law), J.D. with focused coursework in Criminal and Family Law matters. **MEMBERSHIPS:** Texas Bar, Traffic Lawyers of Texas (Formerly Municipal Bar Association of Texas), Texas Criminal Defense Lawyer's Association, Tarrant County Bar Criminal Section, Tarrant County Criminal Defense Lawyer's Association. **GREATEST PROFESSIONAL ACHIEVEMENT:** Over 7,000 happy clients. **WHY SHE CHOSE THE LEGAL FIELD:** A close family friend was wrongly accused and convicted of a crime that tore him away from his wife and children. I felt a duty to prevent others from suffering the same fate. I feel a defense attorney's obligation is to protect each individual's constitutional rights but also diligently fight toward a reasonable and just resolution. **APPROACH**

TO LAW: I consider myself a great problem solver. I like a challenge and will find a creative solution to make a client's means meet his or her desired outcome. **FREE ADVICE:** Never just enter a plea of guilty or just pay a ticket! The consequences of a plea in a criminal matter can extend way beyond that day in court. I can prevent years of feeling trapped by penalties, surcharges and license suspensions. I get my clients back on track and back on the road. **PICTURED:** Bonnie Wolf.
